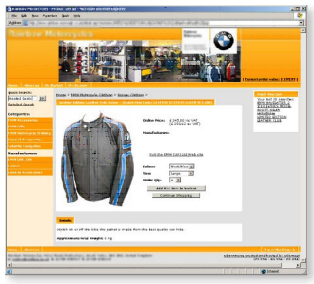
Email, Web and eCommerce solutions by Supake Ltd

e At Supake Ltd, we understand the needs of the smaller business trader and can provide you with basic email services with your own unique email address (rather than an obscure or non-descript email address), 'POP' (point of presence) web sites so anyone surfing the net can find your full contact details, fully customised and bespoke web sites all the way up to professional eCommerce packages selling your goods and services 24/7, which include all features and services to get selling your products and services on-line right away!

e All of our services are reliable and to a high standard as our experience in computing and internet goes back over 20 years and so we know what is required in a busy business today. Here are just examples of what we can do for you today (all prices plus VAT):

e Email services – for just £52 pa you get a fully functional, uniquely named company mailbox that has an unlimited number of email names, eg sales@yourcomanyname.co.uk, info@, enquiries@ all arriving at one mail box for easy administration.

example of a LIVE eConcept site



e POP Web Site – for just £90 pa you get a domain name plus a mailbox as above. The web site is a basic contact page with your company name, address phone, fax and contact details.

e Full Web Site – from just £180 pa you get a domain name and mailboxes as above. The web site is full site (up to 3 standard pages or an existing site) with your own graphics, logo and text of your own design.

e eCommerce Shopping Cart – for just £10 a week! This is a fully functional eCommerce trading system selling for your business 24/7. The site is administered by your own Admin login panel enabling you to add, change and remove your content at any time you wish. For more info, please visit www.eConcept.co.uk.
